Regatta Central FAQ

All Registration is now handled through Regatta Central. Although you can explore all **Indoor Rowing** and **Expo Events**, you will need a no-cost RC account to register. If you are a coach or team leader, you can enter your team members under your account's Roster options. Or you can have your members create their own account prior to you creating the event roster. If your team members are creating their own account (saves the coach's time) be sure to inform them of the Affiliation they must link to their account. As you create your roster and start typing the athlete's name, that name will auto-appear in the field if they have an account. **If not, you can add them .**
